Brasília, February, 11th, 2023.

José Ricardo Thibes Pisani
CBRR President

Subject: CRIRSCO review of the CBRR 2022 code

Dear Mr Pisani,

I refer to your letter #5/2002, dated of December 15th, 2022.

CRIRSCO congratulates CBRR for the release of the 2022 version of the *CBRR GUIDE FOR REPORTING EXPLORATION INFORMATION, MINERAL RESOURCES AND MINERAL RESERVES*. We know well that these reviews require great efforts from the group, and this is much appreciated.

After the positive recommendation from our Code Review Working Group, the Executive has circulated their report and your new Code to all Members and have not received any additional comment or request for clarifications.

With this, CRIRSCO is glad to confirm that the review of CBRR 2022 code has been completed and the new version of the CBRR Guide has been approved by the Executive and all other NROs.

CRIRSCO would like to take this opportunity to thank CBRR for being an engaged member and always available to follow CRIRSCO guidelines.

Best Regards,

Edson Ribeiro

CRIRSCO Chairperson
